## 2004 Summer Outings – How to Pick the Best Event for Your Company

**M**any corporate clients are already planning for company summer outings by reserving one of WCF's numerous outdoor programs.

WCF sales experts lead clients through a series of questions to confirm the company's goals and objectives for the event and ultimately determine the type of event required to achieve those goals.

Clients who want their best summer event ever can choose from several entertaining outings including a customized web site for picnics developed to help the client maximize attendance and outline event details, directions and more.

Event programs include:

- **Outdoor Picnics at several private Chicago or suburban locations**
- **"Mission Impossible" Scavenger Hunts**

- **Weekday "Backyard BBQ"**
- **Friday Night "Happy Hour"**
- **Lakefront Beach Party Bonanza**
- **Grand Prix Challenge**

In 2003, WCF executed more than 100 outdoor events — each a resounding success for attendees of all ages.

"Our picnic was an overwhelming SUCCESS," says Jackie Harris, American Dental Association. "More than one employee has labeled it the 'best picnic ever.' Kudos to the management and staff of Windy City Fieldhouse."

For more information on any of these programs, contact Chris (chris@windycityfieldhouse.com) at (773) 486-7436.

# WCF Birthdays New! Available All Over Chicago

Chicago families now have the option of Windy City Fieldhouse planning and coordinating birthday parties at various locations throughout the city.

Party locations include local park districts, backyards, condos and other locations such as the Menomonee Club. For in-home parties, WCF event specialists arrive at your home 30 minutes prior to the start time to help set up for the event. After coordinating the entire event, WCF specialists even stay 30 minutes afterwards to help clean up. This provides the structure and coordination you have come to expect from WCF in the comfort of your own home.

# Bar & Bat Mitzvahs: Creating Memories That Last A Lifetime

Five years ago a Chicago family approached Windy City Fieldhouse management with a problem — their son was nearing the age for his Bar Mitzvah and he wanted a celebration that was completely extraordinary. The challenge was providing their son with a Bar Mitzvah celebration that combined the formal religious ceremonies with a fun and innovative program that would engage him and his friends.

The answer was a WCF Bar Mitzvah package that combines the formal ceremony and high-end catering with engaging DJ's/dancers, fun themes and an interactive sports relay-style program. WCF also offers events at facilities throughout the city & suburbs.

"The key is to provide the children an outlet for their energy while also keeping the format structured and getting

all the kids involved," says Tracy LeVine, Bar & Bat Mitzvah Manager. "In addition, while the kids are going through the sports program, the adults get to enjoy a nice cocktail party before the dinner. In fact, we work with some of the best caterers and decorators in the city. All of these factors allow WCF to provide an event that creates memories to last a lifetime."

WCF offers packages that keep everyone entertained — from the kids to the grandparents. Dates typically book as far as five years in advance for Bar and Bat Mitzvahs. However, some events are planned in as short as two weeks. For more information on family celebrations and birthdays at WCF or WCF partner facilities throughout the **CITY &**

**SUBURBS**, contact Tracy (tracy@windycityfieldhouse.com) at (773) 486-7416.

### Field Trips, Parent's Night-Out & Overnight Lock-In's

Windy City Fieldhouse offers schools and youth groups many options for affordable day trips, parent's night-out and overnight lock-ins that are fun and engaging for the kids and easy to plan for the adults. Rates run as low as \$5 per camper and include use of courts, kitchen, playground games and movies on a big screen TV.

For field trips, WCF offers full and half-day programs that break groups into teams that then face off – rotating through different courts and sports all in a relay format to see which team is able to obtain the highest group score. Time flies as kids learn new ways to work together. Also, the facility is climate-controlled, so camps are guaranteed to have a great event – rain or hot weather.

Other package options include catering, boxed lunches, parent's night out and even a full group sleepover option. Discounts are available to groups who book throughout the year.

Many dates are already booked. For a full description of programs, contact Tracy (tracy@windycityfieldhouse.com) at (773) 486-7416.
