MOUSETRAP RACE CAR CHALLENGE

Looking for a team event that focuses on communication and creativity while offering some good old fashion competition? Try WCF's **Mousetrap Race Car Challenge** requiring team members to use **communication, creativity and teamwork to design and build a Mousetrap Race Car.** Teams must work together to not only design and build the race car, but they must also adapt and change their design to create the car with the best wheel alignment, weight and overall design to travel the furthest distance. At the end of the event, teams compete one at a time in a competition to see which car travels the furthest. Teams are given two opportunities to "run" their car. Points and/or prizes may also be awarded for most creative design, best car name and more. In the end, **the Mousetrap Race Car Challenge is the perfect combination of communication, creativity and competition.**

Prices Start at \$50-\$125* Per Person

EVENTS FOR A CAUSE

Improve your team's morale and give back to your favorite charity - the perfect combination! Combine WCF's award-winning programs with charitable giving. WCF is able to adopt any of its events into a charitable **Event for a Cause**, matching your charitable goals and objectives with its existing programs to deliver an incredible sense of team unity and lasting value to your organization well after the event is over. Whether your goal is to give back to your local community, schools, food pantries or military families, **adding a charitable twist to your next event adds a tremendous amount of fulfillment and accomplishment to your team.**

"MISSION IMPOSSIBLE" SCAVENGER HUNTS

Looking to enhance communication and teamwork between employees? Want to strengthen employee morale and camaraderie? Experience the sights and sounds of popular destinations in Chicago and its surrounding suburbs with WCF's "Mission Impossible" Scavenger Hunt. WCF creates, organizes and leads your group on an **exciting and creative "Mission Impossible" Scavenger Hunt** taking place throughout the location of your choice: downtown Chicago, Lincoln Park, Navy Pier, River North, Wrigleyville, China Town, museums, amusement parks, the suburbs or any national location. If desired, WCF structures the entire event around a particular theme. Groups collaborate to solve clues and then use the clues to reach unique destinations in your selected area. The event concludes at a destination of your choice – a meeting, a cocktail reception or dinner at the restaurant of your choice or even a Cubs game.

"LET'S CUT THE CAKE" CHALLENGE

With the flare and excitement of the show "Cake Boss" and the award-winning WCF Team Challenge combined into one event, WCF created **the perfect event focused on communication, creativity and thinking outside the box**. Teams work together to design a cake based on the goals and objectives set by the client. Throughout the design event, teams must complete challenges and trivia to acquire additional decorating supplies to enhance their cake masterpieces. Designs are judged not only on appearance but their ability to convey the corporate message communicated to the teams at the beginning of the challenge. **Successful teamwork, creativity and time management tend to bring home the winning designs!** Once all the designs are complete, each team makes a presentation to prove why their masterpiece takes the cake!
